Grand Knight's Message

Brother Knights,

The 2011-2012 fraternal year's behind us and what a great year you provided for our church, council and community. It couldn't have been any better. With the officers installed,

budget approved and program directors in place, we are ready to begin our 101st year as a council.

I have been spending an incredible amount of time preparing for our Centennial. It's hard to believe that all the planning, reading, writing, scheduling, etc. that has been accomplished by our Centennial Committee over the past 14 months will all be over in less than 20 days. It is my hope that we can have our Centennial records displayed at Sacred Heart, St. Michael's and St. George sometime over the next two months at a pancake breakfast, donut sale, or whatever, so everyone gets a chance to see what their parish council has accomplished in the past. I would like to have all records, awards and paperwork archived in our safe by September 7th for future generations.

Ron DeGroot is hard at work ensuring our Bernie Tourney will be another great success July 21st. This is a fund raiser for our Catholic schools which are in dire need of help. Over the years, this council has raised over \$102,000 for Catholic education and scholarships as a result of this tournament. The tournament was renamed Bernie Tourney in dedication of Lovel Briere's son Bernie that passed away March 17th, 2000 at the young age of 22, from Cystic Fibrosis. See our Centennial records for more information. Call

Ron DeGroot for you spot and/or advertisement @ 704-8822. Have fun because...

Yours truly, Darren Johnson, Jim Pivec and Tom Pursley will be hard at work at the State Summer Leadership Conference in Wenatchee, while you are enjoying the Bernie Tourney. I look forward to the summer meeting, but it certainly is not a vacation. Our team will bring back as much information and tips to assist our council, as possible for the next fraternal year.

We added 4 new members to our council June 7th. John Gilson (Ferrell's husband), Ronald Kluemper, Daniel Miller reactivation and John Perry transfer from Colorado. Please extend a hearty welcome to these fine gentlemen. I spoke with each one of them and they will be GREAT additions to our council.

Not to confuse everyone, but Ron & Elaine DeGroot were married Columbus Day weekend 50 years ago. Apparently they didn't care that this was going to mess up our council's Tootsie Roll Drive in 2012. Since many of us will be involved with their 50th Wedding Anniversary, we are holding our Tootsie Roll Drive September 28th-30th. We will have two locations to man/woman/child Columbus Day weekend, but we should be able to cover that with those who will not be involved with the anniversary.

We have a great slate of officers

for this next fraternal year and they have already proved most helpful.

To our membership, you have been awesome to work with and if we can just do what we did last year, I will be thrilled beyond measure.

God Bless you all,

**Kim Washburn,
Grand Knight Council 1643**

ANSWER to this month's Catholic Trivia question:

(b) After a wretched life as a slave, Josephine converted to Christianity. She later recounted that "seeing the sun, the moon and the stars, I said to myself: Who could be the Master of these beautiful things? And I felt great desire to see him, to know him and to pay him homage..." Her feast is celebrated on Feb. 8th.

FAITHFUL NAVIGATOR'S MESSAGE

Dear Brother Sir Knights, First let me thank you all for your faith in me. When I first joined the Knights I wondered if I would ever even be considered to hold an office. As the saying goes, no good deed unpunished. Secondly, I would like to thank Sam Pellegrino, Corb Thorton, Phil Kelly, Jim Pivec, Ron Degroot, Larry Winegar and Gary Lawson for staying with me and

probably babysitting me through this first term. Thirdly, welcome aboard to new Faithful Captain Karl Hoffman, Outer Sentinel Sean Johnson and Color Corp Commander Bill Safford.

Lots to do this summer, 4th of July, Centennial, and Cowboy BBQ just off the top of my head. Thanks to all those who were able to attend the Flag Day ceremony at the Capitol on the 14th of June. It was ill attended but full of heart. Next year I think we can get a better handle on this and get the word out.

Four of our Brothers of Council 1643 were Exemplified into the 4th Degree at St Francis Cabrini Parish in

Lakewood Sunday June 24. They are: Sir Knights Andy Hewko, Bill DiLorenzo, Keith Underwood, and Kevin Underwood. Please welcome them.

I know this may seem brief but, I'm just getting my feet wet so please bear with me. Once again thank you all and see you on the 28th.

Fraternally yours,

Mike Colosi

PRO LIFE NEWS

ADDITIONAL GALLUP DATA PROVES AMERICA TRENDING STRONGLY PRO-LIFE

by Michael New, Ph.D. | Washington, DC | LifeNews.com | 6/14/12

The recent Gallup survey that showed a significant decrease in “pro-choice” sentiment has received plenty of media attention.

However, Gallup’s release of additional data from that survey last week has received considerably less coverage. In some respects, it is almost as if Gallup is using the release of this new data to downplay the results of their May survey. Gallup’s announcement specifically highlights various demographic groups that are strongly “pro-choice” including the non-religious and those with post-graduate degrees.

This new data demographically breaks down the results of the original abortion survey. Most of these results are unsurprising to people who are familiar with abortion opinion data. Christians, those over 55, low-income earners, and those with less formal education are more likely to be “pro-life.” Conversely, those who espouse no religion, women of reproductive age, and high-income earners are more likely to describe themselves as “pro-choice.”

However, there are a few new wrinkles. First, men are more likely than women to self-describe as “pro-life.” That may be consistent with conventional wisdom.

However, it contradicts previous surveys which find fairly consistent abortion attitudes across genders. Also, at one point, high-income earners were *much* more likely to be “pro-choice” than low-income earners. However, as the Republican party has become more uniformly pro-life, income has become less strongly correlated with abortion attitudes.

Finally, many previous surveys showed that old people were much more likely to be pro-life than young people. This trend is still apparent in the Gallup survey. However, the differences between age groups have become less dramatic. There is also interesting data from the General Social Survey (GSS) which shows that young adults are more likely than members of other age cohorts to oppose abortion in specific circumstances.

In their release, Gallup also compares abortion attitudes between 2001 and 2008 to abortion attitudes between 2009 and 2012. The only demographic group that did not become more “pro-life” during this time span was those that espouse no religion. Men, women, all regions, all age groups, and people of all educational levels all became more pro-life. That might be the best news of all for pro-life activists.
