Grand Knight's Message

Brother Knights,

Another year is coming to a close and our council, members and family have been the benefactors of so many Blessings. For those of you that do not know, I received the greatest Blessing this Thanksgiving with

the birth of my WGS (Worthy Grand Son), Damon Bradley Garrison. He weighed in at 8 pounds, 3 ounces and 21 inches.

In other news, we had a very successful Veteran's Appreciation Dinner, which our WFN will report on, Memorial Mass and Christmas tree gathering for Sam's annual KCIC display. Our Council donated \$300, from the Charitable Donations Fund, to help offset expenses and is great publicity for the Knights and, of course, Christ.

Our Council donated \$300 to Sacred Heart for the purchase of several rectangular, light weight, tables for Hallen Hall. I think most of you have seen the round tables they purchased, with the help of Mill's & Mill's. The rectangular tables will be of the same material. This donation came from our Charitable Donations Fund.

The final is in for our Centennial. We cleared \$1,788, with the help of donations. Your council decided to split the proceeds with the Assembly. Out of the Assembly funds, they will donate the remaining Centennial coffee mugs (about 150) to Sacred Heart's kitchen. The mugs display both the Council and Assembly insignia and will be great advertisement for the Knights. This will close our Centennial celebration, though our Centennial celebratory year will end with this fraternal year, June 30th, 2013.

We have the final Tootsie Roll numbers for our Council and State. Our Council raised \$11,637.35, which is a

13% gain over last year's, however, due to our expenses being lower; we are able to donate \$10,172.63, which is a gain of over 31%. We are donating to:

Washington State Special Olympics	\$2,034.53
Special Olympics Thurston County	2,000.00
Rainier Therapeutic Riding	2,000.00
Morningside	1,319.05
Parent to Parent, Buddy Walk	1,319.05
Fisher House Foundation	1,000.00
Disabled American Veterans	<u>500.00</u>
	\$10,172.63

I want to thank each and every one of you that helped make this year's drive a success.

Statewide, we are over \$78,000 and we have 24 more councils to report.

It is my pleasure to introduce our newest members that joined November 15th.

Anthony Pellegrino
 Tony Juarez
 Frank Scolaro
 Daniel Juarez (new transfer)

December is a very busy month, so please check out the calendar of events on the last page. It is so easy to say, "Oh well, there will be others to help make this event a success." When you think like that, the same Knights end up doing all the work. Please donate your time to at least one Knight sponsored event for December. That would sure help spread the work load.

Our 2nd, and final, Food Drive will be collected at our business meeting December 6th. Please bring all of your non-perishable donations to our Hall for distribution to the Thurston County Food Bank and Sacred Heart Emergency Relief.

Have a Blest and Holy Christmas, and May God Bless this country in the coming year.

FAITHFUL NAVIGATOR'S MESSAGE

Dear Brother Sir Knights, Thank you to all who participated in our 11th Annual Lovell Brier Veterans Appreciation Dinner. I think it went off without a hitch. The meal was excellently prepared by our In-House Chef Sam Pellegrino and his staff. The Colors were presented By Color Corp Commander Bill Safford and the Naval Sea Cadet Corp, who also helped

serve and clean up the mess. Also, I would like to thank Fr. Pat McDermott and Sacred Heart for the use of Hallen Hall. This thing would not have come together without the members of our veterans committee, Bob Leingang, Corb Thornton, Phil Kelley, Tom Pursley, Bob Quimby, Bill Safford and Gary Lawson. Thank you again gentlemen, wonderful job.

Coming up this month, Dec 13th is the Annual Knights Christmas Party, where the Assembly will host six military families and donate \$500 dollars those same families.

Our Assembly has sponsored one family, and Gary Lawson has graciously donated \$1500 to us to help the other five families. Thank you so very much Sir

Knight. Mills and Mills also donated \$1000 dollars to help defray the cost of the party as well. Thank you to Bob Leingang for his help with that.

On Dec 16th at Sacred Heart for the 2:00 PM Mass, the Knights will be involved with The Feast of The Virgin of Guadalupe as we have done in the past. The Color Corp will be present, and I believe the Schola as well. Gentlemen, I need volunteers for Color Corp, and don't for a second think that I will not be hounding you to be present. I like to watch football on Sunday, but I can give it up one day a year. Besides there will be plenty of great food and it is the best way we can show ourselves to the Hispanic Community.

On January 22nd is the Mass for Life at St. Martin's Pavilion. That's a Tuesday I know, but the Archbishop will be present and as always there will be those who are needed parking cars and working in the Kitchen. I put the bug in the District Masters ear that we would like a strong showing of Knights not just from our area but from the whole state. I guess we'll wait and see.

Merry Christmas to all and Happy New Year

Fraternally yours,

Mike Colosi

MEMORIAL MASS – NOVEMBER 2, 2012

BISHOPS WILL PUSH HHS MANDATE CONSCIENCE PROTECTIONS IN CONGRESS

by Steven Ertelt | Washington, DC | LifeNews.com | 11/13/12 1:46 PM

A top legislative staffer for the U.S. Conference of Catholic Bishops says the nation's Catholic leaders will push again for Congress to approve conscience exemptions for the Obama HHS-Abortion mandate in Obamacare.

The mandate forces religious groups and businesses to pay for birth control and drugs that may cause abortions for their employees and it contains only a narrow exemption that most groups do not qualify for under the law.

[In a new interview](#) with the National Catholic Register, Richard Doerflinger, the associate director of the U.S. Conference of Catholic Bishops' Secretariat of Pro-Life Activities and the chief pro-life lobbyist, talked about the next push for the mandate exemption. He believes the upcoming Labor/HHS appropriations bill for Fiscal Year 2013 afford pro-life advocates another opportunity to push the Fortenberry-Blunt conscience protections.

“So far, we have pursued remedies to the contraception mandate in all three branches of government, and all those avenues remain open,” he said.

Approving the conscience protections will be easy on the House side with pro-life Republicans controlling the chamber, but Doerflinger says he thinks the Senate is still a possibility since there are almost 50 votes for it.

“The election left things largely as they were: We count the same number of votes in the new Senate as in the old — not in terms of party affiliation, but in terms of pro-life position,” he said. “[The only time that a conscience measure for the mandate was considered in the Senate it got 48 votes](#), with very little time to explain the issues. Getting to 50 or 51 votes in the Senate could happen, especially if you can attach legislation to a must-pass vehicle, where you have leverage to trade back and forth, to get policy riders approved. We are not giving up on that and will continue to pursue this agenda.”

“There is a continuing resolution that keeps the government funded until March. They don't have to do the appropriations bill until then, but there are rumors that Congress and the White House — to avert the “fiscal cliff” — will have to do a deal on revenue and spending. Some would like the appropriations bill to be part of that [remedy]. Even before the end of this year, we may have a debate on this issue,” he explained. “Right now, the House committee draft of the Labor/HHS appropriations bill has language like that of the Fortenberry-Blunt bill. I believe the House leadership will fight for that in negotiations with the Senate. Where that comes on the priorities list, we can't say.”

“It is now becoming very clear that the Affordable Care Act is here to stay and that we really need relief. We will be urging Catholics to write to their congressional representatives in support of that provision — Section 537 of the Labor/HHS appropriations bill,” the pro-life lobbyist said. “We see every reason to continue our efforts in both Congress and the courts and to continue to ask the administration to take a more flexible view of the conscience issues involved.”

[Asked by NCR](#) if Obama would sign the conscience protections into law, Doerflinger said he might if they were attached to a funding bill or another important piece of legislation.

“Perhaps if the alternative is to veto a bill he favors, like an entire appropriations bill. Then perhaps he would,” he said. “If the courts are continuing to bring injunctions against the mandate, the administration may not want to continue pursuing 35 different lawsuits on this and will perhaps back down.”

During the Senate vote, Democrats Bob Casey of Pennsylvania and Joe Manchin of West Virginia crossed sides and voted with Republicans to support the amendment. They may be joined by Joe Donnelly, of Indiana. Pro-abortion Republican Olympia Snowe, a Maine senator who recently announced her retirement, was the only GOP lawmaker to oppose the Blunt amendment and she will not be in the next session of Congress. Sen. Mark Kirk of Illinois, a Republican, was absent for the vote but would have voted for the amendment.

In July 2011, the Institute of Medicine recommended several mandatory health services, as called for in President Obama's health law. This included a recommendation requiring health care plans to provide controversial preventive health services, including birth control, drugs that may cause abortions and emergency contraception. The Blunt Amendment would prevent health care providers and insurers from being forced to violate their principles to offer services they are morally opposed to, and it guarantees that all Americans are not penalized or discriminated against for exercising their rights of conscience.

The text of the Blunt Amendment consists of the language taken from the Respect for Rights of Conscience Act (S. 1467, H.R. 1179). It would amend the Obama health care law (“ObamaCare”) to prevent the imposition of regulatory mandates that violate the religious or moral convictions of those who purchase or provide health insurance.

The National Right to Life Committee calls the amendment “vital” and says the Obama HHS mandate could result in a mandate in the future that forces taxpayer funding of abortions.

KNIGHT OF THE MONTH DONALD BUNZ

Council 1643, Knights of Columbus is pleased to announce the Knight of the Month as Brother Donald Bunz. The officers of the council have selected Don for his dedication to the principles of Knighthood and his activities in support of Church, community and council, and heartily congratulate him on achievement of this award. Once again the officers have chosen a Knight who has proven himself among the most worthy of Knights!! There seems to be no lack of these Men in our Council 1643.

Don is a returning Knight of Columbus. This writer has been in a similar position and knows what it is like to experience the excitement of becoming active again in this eminently worthwhile organization. Don first became a Knight in the late 1960s and has returned to active status just recently. However, since his return he has participated in several events for the Council, the Church and his Community.

Don worked at the annual Cabelas Salute to veterans in October as a representative of the Council. The Council's presence at this event was a good public relations opportunity since our council supports veterans so strongly in many ways. Don's presence at Fred Meyers Department Store during the Tootsie Roll campaign was also a great help and contributed to the success of this event once again. At St Michaels Parish he is involved with set-up and serving during our periodic pancake breakfasts. Perhaps one of Don's greatest contributions is in the community where he works for the Department of Veterans Affairs and is a key person in the very necessary job of crisis management, particularly in the event of death transitions. This act of humanitarianism alone qualifies Don as a true Knight, dispensing charity and selfless empathy for our men and women, in or out of the military service.

The officers of Council 1643 congratulate Donald Bunz for being awarded Knight of the Month for November 2012. His qualifications for this accolade are unquestionable!!

FAMILY OF THE MONTH BOB & LEA LEINGANG

Council 1643, Knights of Columbus, Olympia, WA is proud to announce to all of its members the Family of the Month for the month of November, the Bob and Lea Leingang family! The officers of our council always pick a family based on their activities and contributions to the Council, Church, and Community. In this case, the officers have over achieved their goal!!

Bob Leingang has been a Knight since the mid-1970s. He is a 4th Degree Knight of Columbus and has held the offices of Grand Knight of the Council and Faithful Navigator of the 4th Degree Assembly. Together, with his wife Lea and his three children, Tony, Carrie, and Joshua, his family represents everything that is good in this life on Earth and gives back to their fellow man much more than they receive.

Bob has been on the Board of Columbus Park Resort on Black Lake for the last 25 years and President for the past 15. He is also President of the Trout Unlimited organization at the Columbus Park resort. Bob is also responsible in large part for the Cowboy Barbeque in September, a fete at Columbus Park resort that every Knight should attend!! Bob is employed by Mills and Mills Funeral Home, a business that has been the driving force behind support of our veteran's families at Christmas and other times of the year. Without the advocacy of Bob Leingang, Mills and Mills might not be the player they are in this Council 1643 endeavor.

Lea Leingang has, for years, supplied clean, ironed and, if necessary, replacement linens for church services. She also participates in the Christian Women's Connection, an organization devoted to reading, studying and interpretation of the Bible. Lea is also part of the Parish Shawl Ministry which makes shawls for sick people, donating them locally, nationally, and even internationally. In 2 years, this ministry has created and donated over 900 Shawls. Together with Bob, they have had a significant role in coordinating the Christian and Catholic education of couples waiting to get married in the Church. In addition to all of the above, Lea is a Eucharistic Minister and part of the Parish Hospitality Ministry. She does this alongside her husband Bob who is also an Usher!

Tony Leingang works for the Washington Department of Transportation and is the Incident Response Commander for most of Western Washington. His expertise and humanitarian attitude have contributed to his ability to respond to the greatest of disasters to the smallest. Joshua Leingang works at Boeing Corporation as an engineer in Aeronautics and Astronautics. Carrie is a manager at Columbus Park Resort on Black Lake, a resort owned and operated by six councils of the Knights of Columbus and contributing thousands of dollars in grants and donations to each of the six councils for the charitable work that they do.

This author could go on and on about the Leingang family. They are everything a Christian family and Knights of Columbus Family of the Month should be. The Officers and all of Council 1643 are proud to have the Leingang family as one of their own! Congratulations, well deserved, to the Leingang family, a true Family of the Month!
